

Babe Ruth Baseball

Pacific Northwest Region

13/15 DIVISION TOURNAMENT APPLICATION FORM

TOURNAMENT INFORMATION

Playing Dates:

Playing dates for the District, State and Regional Tournaments on the Babe Ruth Tournament Trail are set AFTER the World Series schedules have been determined.

In the early fall, the schedules for next summer's World Series are released. At that time, the Regions are also notified as to the mandatory completion dates for Regional Tournaments. Setting mandatory completion dates gives Babe Ruth enough time to arrange for plane reservations for the participating teams. (This date is normally about 10 days before teams are scheduled to travel to their respective World Series.)

Until the Region receives the notifications from Babe Ruth, we are unable to advise potential Regional Tournament Hosts as to when their Tournaments will need to be held. However, we can make "educated guesses", based upon experience.

Our best estimates for timing of future 13/15 Division Regional Tournaments is the last week of July. This may change from year to year as World Series schedules are changed.

Tournament Formats:

13/15 Divisional Regional Tournaments are conducted in two stages; pool-play qualification, followed by single-elimination Championship. These are 10-team affairs; 9 State/Provincial Champions plus the Host team. In the case a State/Province is unable to provide an entrant, the Region will select an Invite team as replacement.

The 10 teams are split in to two 5-team divisions by blind draw. Teams in a division play games against the other teams in their division. After completion of pool-play, the top two teams in each division advance to a single-elimination Championship. Games are played on a single playing field, 4 games each day in pool-play and 3 games on Championship day.

Pool-play takes 5 days to complete while single-elimination Championship is completed in one day. Including Arrival Day, the Tournament is completed in 7 days, unless the Tournament is interrupted by rain/etc.

A typical Tournament Schedule has Sunday as Arrival Day, pool-play Monday thru Friday, and Championship day on Saturday.

NOTE: The Application requires the signed approval of your State/Provincial Commissioner

3. Describe your League's experience hosting Babe Ruth Tournament Trail events; (District / State/Provincial / Regional / World Series).

4. Number of practice fields available? If weather or other circumstances require that the Tournament be played on more than a single field, are any of these fields appropriate for Tournament use?

5. Describe the local community as well as the activities available for visitors in the immediate area.

6. Describe the playing facility(s), including location, seating, concession stand, rest rooms, field lighting, if available, handicapped accessibility, etc. Picture of proposed playing field would be helpful.

If possible, enclose a signed written agreement from the controlling entity (city, school district, other baseball association, etc.) guaranteeing exclusive use of the playing facility(s) during the period of the proposed Regional Tournament.

Oregon leagues planning to use school district facilities need to contact OSAA to ensure that those facilities will be available for use during the period of the proposed Regional Tournament.

7. The Regional Tournament Agreement requires you to have medical attention on-site and available. How do you propose to meet this obligation?

8. A Regional Tournament can have a very positive economic impact on your community. What other community events could affect the tournament either positively or negatively? For example, a convention or other sports event being held at the same time could adversely affect hotel/motel room availability.

9. The Regional Tournament Agreement requires that you secure (block) ninety (90) hotel/motel rooms for all Cal Ripken and 13-15 Tournaments, and (fifty) 50 rooms for the 16-18 Tournament.

Most State Tournaments in the Region will not be completed until ~ 1 week prior to the start of the Regional Tournament. As a result, most parents/players/fans will not realize that they are coming to your Tournament until that time.

As the Host you will need to talk with the hotels/motels in your area and get them to block rooms for you up to less than 1 week before the teams arrive in your community. This may not be easy, since hotels/motels are rightly concerned that they will end up with unoccupied rooms.

How do you plan on accomplishing this?

10. If you have any other thoughts or ideas about your application that you feel the Site Selection Committee should consider, please feel free to add them here.

Note: The Sponsoring Host may elect to sell individual family and/or group admissions (team tournament pass) for single games, sessions and/or the entire tournament but shall not charge or impose any mandatory fee, however characterized, upon any eligible tournament participant. In other words, the Host may institute a Team Spectator Pass (TPS) for all teams entering the Tournament. However, the Host may not institute any fee for the players and coaches of any team. Hosts can impose a Team Spectator Pass and to also charge a gate for those not covered by the TPS.

Applicant has read and understands each of the provisions of the current Tournament Agreement and any additional Supplementary Memoranda and agrees to abide by the provisions in the event that any portion of said documents becomes part of the actual Tournament Agreement that will be included for this tournament.
